The talent received a facer, though, for Zenebia, taking the lead when they entered the stretch, won easily.

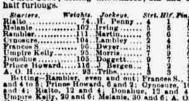

Faustiae and Little Fred had a pretty finish for the place, and Faustine only got the verdict by stretching out her tongue.

Chapman fell at the post and little Blake steed on his head for a second or so, but was not injured.

The talent backed Rambler in the second race as though it was all over, but the shouting. He was besten, however, in a beautiful finish by Blaato and Melande, both long shots. Cynastire was close up. Frances S. was hacked for a good thing, but was never in it. The third race was considered a mere exercise gailop for Early Blossom, and so it proved. Byte drew a fine finish and beat Wrestler a neck, after the latter had made all the running. My Fellow was a poor third.

NEW LEAGUE CONSTITUTION.

As Proposed, It Allows Local Option in Sunday Games.

[BY ABSOCIATED PRESS.]
INDIANAPOLIS, Ind., Dec. 17.—The League baseball magnates sat up all night in session with the Conference Joint Committee, after that body had heard the complete demands of the Milwaukee, Columbus and Chicago clubs. At 4 o'clock this morning they ad-journed without reaching any final result. Nearly all of the Chicago Association backers left on the early morning trains, leaving President Williams, Sam Morton and Fred Preffer in charge. They charge Von der Ahe

Winter racing in earnest at North Bergen today. The racegoers hugged the big stoves in
the back of the grand stand and in the big

The racing went on just the same and with
a splendid card, the feature of which was the
mile handicap. The track was dry and hard
and the weather clear.

The opening event was a five-turlong dash

Little Fred was a red-hot favorite and was
heavily played all over the ring. Zenobia
was not without backers, and she, too, car-

Startling Statements by an Applicant for the Postponed Examinations.

The Health Board reports state that to-day there are 143 policemen on the sick list. The staff of police surgeons is five members short, and the number of cases of grip in the police force is increasing.

For the past week or so people downtown have been wondering what has become of Russell Sage, jr., the millionaire's nephew and his heir.
Since the excitement over the startling bomb-throwing exploit at 71 Broadway began to wane Russell Sage, jr., has not been
